**—Coffee Time Romance**

*"Romantic suspense by the fabulously talented Avery Flynn! ...an amazing ride...never a dull moment...well developed characters...If you love great romantic suspense, Up a Dry Creek is for you! Ms. Flynn delivers."*

**—Bookin' It Reviews**

Avery Flynn returns to western Nebraska, the setting of her first novel, Up a Dry Creek, to continue the story of the Layton family in her new contemporary romantic suspense novel **A DRY CREEK BED**, just published as an e-book original by Evernight Publishing.

Flynn was inspired by her former hometown for the setting of the fictional town that has been home to the Laytons for generations. Siblings Claire, Hank, Sam and Chris Layton were introduced in Up a Dry Creek, the story of Claire and her nemesis-turned-hero, Jake Warrick, as was Claire's friend, Beth Martinez.

In **A DRY CREEK BED**, readers discover Beth Martinez still mourning the deaths of the grandparents who raised her after her parents died in a car accident. Beth has seen her share of tragedy, including having the dream of starting her own family ripped away from her. Though quietly in love with Hank for years, she knows they'll never be together. Hank, now the Sheriff of Dry Creek County and divorced from his first wife who lied to him about her desire to have children, wants a family, something Beth can never have and can't give him. Despite their mutual desire for each other and Hank's determination to pursue her, she manages to keep him at a distance.

**—continued—**

All Beth has left of her family is the home built by her grandfather. So when a mysterious developer makes an offer on the property, she refuses. Soon she's receiving threats and can no longer hide what's happening from Hank. Forced together by circumstances, it becomes harder and harder for them to rein in their passion. Suddenly, the stakes go higher. Coercion turns into murder and it's up to Beth and Hank to uncover who wants the land and why—before they both end up dead.

In **A DRY CREEK BED**, Avery Flynn once again brings readers a strong and sexy romantic suspense novel, with plenty of action, engaging characters and an unexpected ending.

### **About the Author**

Romantic suspense novelist Avery Flynn's first *Dry Creek* novel, **Up a Dry Creek**, was published in 2011. Her latest, **A DRY CREEK BED**, has just been released by Evernight Publishing.

Born and raised in western Nebraska, the setting of her fictional town of Dry Creek, she now lives in the Washington, D.C. metro area. There she continues to write and work at her day job while enjoying her own happily ever after with her husband, three children and two dogs. She dreams of one day having a floor-to-ceiling library, à la Beauty and the Beast, and is working to perfect the coffee IV drip. She is delighted to have her first two books published and to be hard at work on **High and Dry Creek**, her third *Dry Creek* novel.
